

MUGLA METROPOLITAN MUNICIPALITY
4th INTERNATIONAL CARTOON CONTEST
SPECIFICATION

SUBJECT: EDUCATION (Education at home, Street, work ... Everywhere)

EDUCATION FROM PAST TO PRESENT

A process started with humanity. Its origin backs to prehistoric times may be before. Education existed even foraging primitive societies, why not? The first man who taught stone carving to the friends was actually teaching unconsciously.

Ofcourse there was no concept of school. Mountains, shadow of the trees were school of them. Philosophers taught humanity there. The beginning of the education system is considered as school dates back to the early ages. Temples took on this. It dates back to the Sumerians. In the sections called Tablet Houses, people were given special vocational trainings. Similar structures are also mentioned in Egyptian, Chinese and Indian civilizations.

National School founded in Ionia in 6th BC. and School of Academy founded by Platon accepted as the first examples of contemporary schools.

Houses were schools in Rome. Slaves who has knowledge trains children. Monastery schools are seen in the middle ages. Math, geometry and astronomy courses were given in these schools. For the sake of Renaissance and Reform movements, the idea of education began to gain more importance.

From the past to present, education developed. Today, there are so many fields of education that the numbers of the fields are numerous. It is possible to increase their number.

Under the light of these information, we know that you will explain the education from the past to the present with your lines and drawings. We are sure that we have not thought of what more will come out with the help of your lines.

Take it easy, we wish you success...
